

# Summer ON THE FARM

2022 HICKORY HILL ACADEMY SUMMER CAMP

HICKORY HILL  
ACADEMY

FOR CHILDREN AGES 12 MONTHS THROUGH AGE 12

Physical, intellectual, emotional, and social growth form the foundation of Summer on the Farm for all campers. Energetic, fun-filled outdoor activities are combined with indoor enrichment activities to provide a memorable camp experience.

**ART** | Campers create art by learning about famous artists, different techniques, styles, and mediums under our majestic pine trees.

**Science & Nature** | Hands-on experiences in science, nature, and STEM are offered in our forest, nature center, large garden, and animal pens.

**Music** | Rock n' Roll "Garage Band" teaches the basics of playing various instruments and writing music, while Bucky Beats engages our youngest campers in making music of their own.

**Sports** | Games, team sports, and individual challenges abound as the 10 acre campus hosts a variety of athletic activities.

**Yoga** | Campers are led through fun and engaging yoga practices in the peaceful sunshine.

**Culinary** | Creating culinary masterpieces that are fun and healthy is the goal of this popular activity for our older campers.

**Gymnastics** | Professional instructors bring the gym to campus with a variety of exercises to increase balance, strength, flexibility, and skills.

**Golf** | The fundamentals of golf are taught on our very own golf green.

**Dance** | Campers love moving and grooving to their favorite music in a variety of dance styles.

**Special Events** | Throughout each session events such as bike day, a carnival, color fun run, chalk fest, talent show, farmers market, and more will be added to the fun.

**Field Trips** | School-age campers will have weekly field trips to a variety of unique destinations and experiences.

**Literacy** | With literacy being an important part of our foundation, campers will spend time reading and participating in fun activities to utilize their writing skills.

**Extras** | Friendships both old and new blossom each summer, and new camp experiences are being added to our program each year. A full schedule of enrichment activities will be released before session one begins.
