

Summer ON THE FARM

2024 HICKORY HILL ACADEMY SUMMER CAMP

HICKORY HILL
ACADEMY

FOR CHILDREN AGES 12 WEEKS THROUGH AGE 12

Physical, intellectual, emotional, and social growth form the foundations of Summer on the Farm for School-Age children. Energetic, fun-filled activities are alternated with moderate homeroom activities to enrich the children's lives and provide memorable camp experiences.

ART | Campers create art by learning about famous artists, different techniques, styles, and mediums under the peaceful pine trees.

Science & Nature | Hands on experiences in science, nature, and STEM are offered in our forest, nature center, large garden, and animal pens.

Music | Rock n' Roll "Garage Band" works with small groups on the basics of playing various instruments and writing music.

Sports | Games, team sports, and individual challenges abound as the 10 acre campus hosts athletic activities and workshops.

Yoga | Local children's instructors lead groups of campers in the peaceful sun through fun and engaging yoga practices.

Culinary | Local youth cooking instructors join us on campus to teach creative culinary creations that are both fun and healthy.

Gymnastics | Professional instructors bring the gym to campus with a variety of exercises to increase balance, strength, flexibility, and skills.

Golf | Professional instructors teach campers the fundamentals of golf on our very own golf green.

Dance | Local instructors get campers moving and grooving to their favorite music in a variety of dance styles.

Special Events | Throughout each session events such as bike day, a carnival, color fun run, chalk fest, talent show, farmers market, and more will be added to the fun.

Field Trips | School-age campers will have weekly field trips to a variety of unique destinations and experiences.

Literacy | With literacy being an important part of our foundation, campers will spend time reading and participating in fun activities to keep up their writing skills.

Extras | Friendships both old and new blossom each summer and new camp experiences are being added to our program each year. A full schedule of enrichment activities will be released before the session one begins.
